### **DETAILED ACTION**

Claims 1, 4, 5, 9, 11, 15 and 18-23 are pending in this application.

#### ***Disposition of Office Action Dated December 1, 2005***

1. Applicant's request for reconsideration of the finality of the rejection of the last Office action is persuasive and, therefore, the finality of that action is withdrawn.

#### ***Action Summary***

2. Examiner acknowledges the cancellation of claims 2, 3, 6, 7, 10, 12, 14, 16 and 17. Therefore, any and all rejections and/or objections directed towards them are hereby withdrawn.
3. Examiner acknowledges the addition of claims 20-23.
4. The rejection of claims 1, 4, 5, 9, 11, 18 and 19 under 35 U.S.C. 112, second paragraph as being indefinite is hereby withdrawn as applicant defined what is meant by an "effective amount".
5. The rejection of claim 1 under 35 U.S.C. 102(b) as being anticipated by Burghart is hereby withdrawn as applicant has amended the claim to recite the tacky component comprising a (meth)acrylate polymer.

#### ***Statement of Reasons for Allowance***

6. The following is an examiner's statement of reasons for allowance:

Art Unit: 1616

The claims are allowable over the cited prior art because the prior art does not teach, disclose nor make obvious a fluid composition suitable for in situ forming and adhering onto a surface comprising a tacky component, a non-tacky component and a volatile solvent, wherein the tacky component comprises a pressure sensitive adhesive comprising a (meth)acrylate polymer and wherein the tacky and non-tacky component are incompatible and undergoes phase separation. The closest prior art discloses a composition comprising a butyl ester of a polymethacrylic acid, a vinylpyrrolidone-vinylacetate copolymer and ethanol. While the composition is almost the same the difference of having a (meth)acrylate polymer (of the instant application) versus a butyl ester of a polymethacrylic acid (of the prior art) would not be an obvious modification.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***

7. Claims 1, 4, 5, 9, 11, 15 and 18-23 are allowed.
